

FUEL / PROPANE

SAFETY

Safety is priority one with Centra Sota Lake Region LLC. We were the areas first Propane supplier to require a Gas Check inspection before any new installation or delivery. Our staff of certified technicians are available to assist you in ensuring that your propane system meets all the Safety guidelines be it for farm, home or business. FUEL STORAGE/MAINTENANCE

We're committed to providing you with premium diesel to keep you running! To ensure your fuel storage is keeping your fuel viable, tank maintenance is vital! Proper tank maintenance and housekeeping is the user's responsibility. Routine maintenance of your fuel system is the key to avoiding fuel related problems. LUBRICANTS

We provide premium Cenex quality lubricants! Our lubricants with cutting-edge ingredients, such as vegetable-oil-based hydraulic fluid, lead the industry in innovation and exceed the standards required by equipment manufacturers for a wide variety of uses. The technical expertise to handle sample analysis and fluid monitoring — and an unmatched agricultural warranty program — are also part of the value-added services that make CHS a leader in lubricant manufacturing.
