CENTRA SOTA COOPERATIVE

NITROGEN STABILIZER COST-SHARE PROGRAM

Reduce fertilizer loss. Protect your investment. Improve efficiency.

SAVE UP TO 70%

On eligible nitrogen stabilizer products

Up to $10,000 per farm/farmer. Discount varies by product and rate.

WHY USE A NITROGEN STABILIZER?

Help keep nitrogen available to the crop, reduce potential losses, and protect the value of your fertilizer investment.

WHO MAY QUALIFY?

- Certified through the Minnesota Agricultural Water Quality Certification Program (MAWQCP)
- Actively working toward MAWQCP certification
- Willing to be contacted by MAWQCP Centra Sota Staff

Priority consideration may include farmers who:

- Farm in or near groundwater-sensitive areas
- Are first-time users or split-apply nitrogen
- Have a long history purchasing nitrogen inputs from Centra Sota Cooperative

PRODUCTS & ESTIMATED SAVINGS

PRODUCT	TYPE	EST. SAVINGS/AC
